Name	**LE1700 BIOS A16 and B16 self-installer**
File Name	**LE1700_BIOS_AB16.zip**
Release Date	August 14, 2008
This Version	A16 and B16
Replaces Version	A13, B13 and all previous versions
Intended Users	**Motion Computing advises all LE1700 users to install this update.** See *Fixes in this Release* and *Known Issues and Limitations* below for more details*.
Intended Product	LE1700 Tablet PCs
File Size	1.7 MB
Supported Operating System	• Windows XP Tablet PC Edition 2005* Version 2002 Service Pack 2 • Windows Vista, all versions except Windows Vista Home Basic * Tablet Edition 2005 is included with the free Service Pack 2 download. If you installed Windows XP Service Pack 2 on a Tablet PC, you have Tablet Edition 2005.

Fixes in this Release

- Added update for Intel® Core™2 Duo L7400 1.50GHz CPU microcode.
- Added support for Intel® Core™2 Duo U7500 1.06GHz.
- Resolved a boot issue, which was caused by simultaneously pressing F2 and the power button during POST.
- Corrected an issue related to BIOS Setup hard disk drive (HDD) model number display.
- Resolved an issue related to a slow POST when the HDD password is enabled.
- Addressed an issue related to maintaining the current HDD password when updating the BIOS.
- Resolved an issue related to detecting the solid state drive (SSD) after setting the SSD password.
- Addressed an issue related to maintaining the WWAN device status when updating the BIOS.

Known Issues and Limitations

- PXE boot (network-based boot) cannot be disabled in BIOS.
- Windows Vista ignores Critical Battery settings stored in BIOS. This is an issue with Windows Vista.

Installation and Configuration Instructions

To install the LE1700 A16/B16 BIOS update:

1. Download the BIOS AB16 file (LE1700_BIOS_AB16.zip) and save it to a directory of your choice.
2. Unzip the file to a location on your local drive.
3. Double-click on *"Motion LE1700 BIOS AB16.exe"* and follow the prompts. Note that AC power must be plugged in.
4. The update process may take some time. Please do not manually power off the tablet.
5. The tablet will automatically shut down after installing the BIOS.

Licensing

Refer to your applicable end-user licensing agreement for usage terms.
